WALLINGFORD · SEATTLE
Crosswalk Watch

In Washington, every intersection is a legal crosswalk, marked or not. Drivers must stop for people crossing.

This corner needs a crosswalk.

Wallingford Ave N and N 38th St

#865
of 1,466 corners on SDOT's own list of places that need a crossing

880 ft
to the nearest marked crosswalk on either street

Unlikely
that the city builds one soon at its current pace

Neighbors can change that. It takes 5 minutes.

1. **Vote for this corner**
   Add a note about what happens here: near-misses, who crosses, what time of day. The top corners go into the neighborhood's letter to SDOT.

2. **Send the city a 2-minute email**
   Emails to SDOT and to your council member are already written, with this corner's facts. Just add your name and press send.

3. **Help put up crosswalk flags**
   Order a flag kit for this corner, or volunteer to keep the flags stocked until the city paints a crosswalk.

Crosswalk Watch Flag Kit
Two steel flag boxes with QR signs, 10 reflective flags, and clamps that fit any sign pole. No drilling.
